

Dear Members,

The ownership and staff from Andersons Creek, Green Gables, and Forest Hills would like to thank everyone for a great 2015 golf season. We closed the doors at Andersons Creek on Friday November 27th. Thanks to all who kept coming out and keeping the season alive. Only 5 months until we are back at it!

We hope that everyone has a safe and enjoyable off season. We can't wait to see everyone next spring! We are starting to plan a winter meet up with some optional curling. We will announce this in the New Year.

Merry Christmas and Happy New Year!

AC, GG, & FH Staff
